

Application No. 10/649,537
Response to Restriction Requirement dated April 7, 2006
Reply to Office Action of March 7, 2006

REMARKS

Claims 1-19 are presently pending in the application.

The Office Action sets forth a restriction to one of the following inventions as required under 35 U.S.C. §121:

Group I, claims 1-8 and 10-18

Group II, claims 9 and 19

By this response, applicants elect Group I, claims 1-8 and 10-18, without traverse. Applicants note that on page 2 of the Office Action, claim 1 is indicated as generic. Applicants agree with this designation of claim 1 and therefore reserve the right to request consideration of the unelected claims should claim 1 be found allowable.

CONCLUSION

In view of the foregoing remarks, this application is considered to be in condition for allowance, and an early reconsideration and a Notice of Allowance are earnestly solicited.

If an extension of time is required to enable this document to be timely filed and there is no separate Petition for Extension of Time filed herewith, this document is to be construed as also constituting a Petition for Extension of Time Under 37 C.F.R. § 1.136(a) for a period of time sufficient to enable this document to be timely filed. Any other fee
